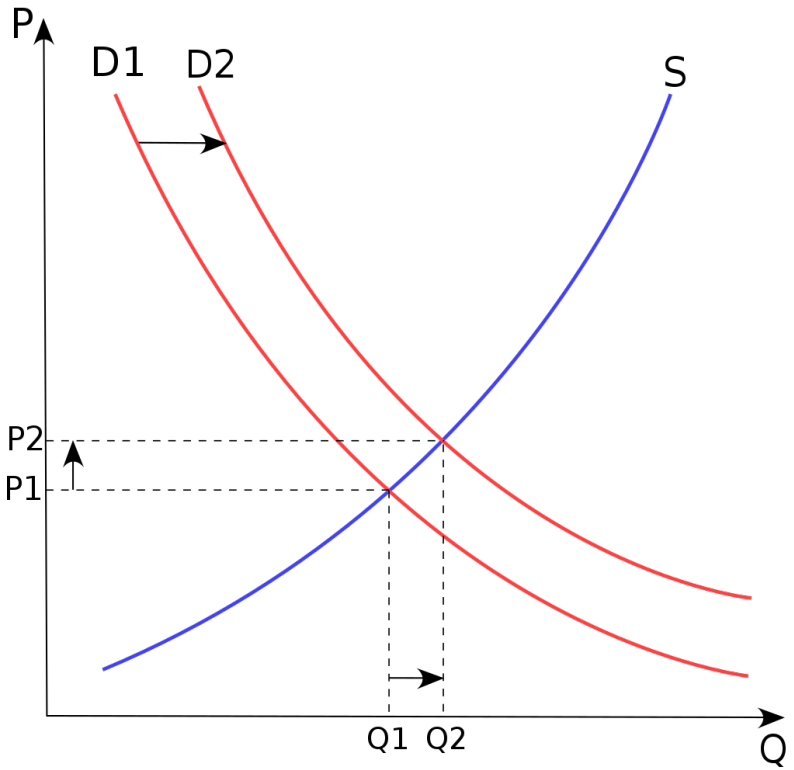
Consumer Demand



A shift in demand, with equilibrium price, P, and quantity, Q, increasing.

Question of the day.

- What is **consumer demand** for cannabis in the US?

Let's check the Census!

A Census Bureau employee (1970s) operating a UNIVAC 1100 series computer, likely processing data from the 1970 Census.

🙏 Thank you for coming.

Insight of the Day

- Stand on the shoulders of giants.

What is on your mind for next week?
