## Cannlytics

Cannabis Data Science

Cananbis Data Science #52

February 9th, 2022

Question of the Day

How does cannabis move through the industry?

Sample of Washington State Processor Transfers

Data Source: Washington State Leaf Traceability Data

Panel Data

- A panel has the form

$$X_{it}, \quad i = 1, \ldots, N, \quad t = 1, \ldots, T,$$

where

  - ▶ i is the individual dimension and
  - ▶ t is the time dimension.

- We can look at **total transfers** (x_{it}) by
  licensee or license type (i)
  over time (t).

🙏 **Thank you for coming.**

Lessons of the Day

- Observing how cannabis moves through the economy can lend unique insights.
